Q1 2017 Headset Promo: \$50 OFF CS540

Wireless Freedom for the Office.

If you're like most executives, everything about the way you work has changed. Except your phone. The Plantronics CS540 turns your phone into a full-featured wireless productivity tool, one that allows you to keep pace with your dynamic working environment.

Features Include:

- Mobile phone-like mobility in the office
- Advanced Wideband Audio
- Noise Cancelling Microphone
- Secure communication with multi-layered security system
- 350' range for unrestricted freedom of movement
- Up to seven hours talk time to conduct a full day's business
- Multi-unit conferencing capability for up to four users
- Convertible headset lets you choose the style you prefer: on ear or over head
- Comfortable and light weight for all day use; weighs only about an ounce
- Optional Remote Handset Lifter lets you answer and end calls away from your desk
- 1 Year Manufacturer Warranty

*Offer expires March 31st, 2017
